Re: Cantwell 2006, FEC Id. No.C00349506, October Quarterly Report (8/31/06 - 9/30/06)

Dear Ms. Reminsky:

This letter is in response to your request for additional information concerning Cantwell 2006/2012's (the "Committee's") October Quarterly Report of receipts and disbursements, covering 8/31/06-9/30/06.

With respect to two contributors noted by you, Glen W. Morgan and Teri Morgan, the Committee inadvertently filed duplicate 48 hour notice information for them, once on September 6, 2006 and then again on September 12, 2006. The latter should be disregarded as an inadvertent error, and there were no additional contributions by them. The September 6 contributions are reflected on the Committee's October Quarterly, and the Committee correctly reported these contributions.

With respect to Stephanie Low, her contribution was reported as \$1,600- not \$1,100. A \$500 redesignation to the general election of the \$2100 amount on the 48 hour report was inadvertently omitted from the October Quarterly. With respect to Alma Quigley, \$100 of her \$1000 primary contribution was inadvertently omitted from the October Quarterly. The Committee is filing an amendment to correct these minor attribution mistakes.

With respect to Leslic Magid, the full amount of his \$2700 48 hour contribution is on the October Quarterly. His contribution was designated and reported as \$2100 for the primary and \$600 for the general election. Similarly, with respect to Betty Scheinbaum (note that your letter erroneously lists her as "Betty Scheinman" when her name, as reflected on our reports, is Betty Scheinbaum), the full amount of her \$1700 48 hour contribution is on the October Quarterly. Her contribution was designated as \$1600 for the primary and \$100 for the general election. Thus, the Committee correctly reported these.

In addition, your letter indicates a 48 hour notice is missing for Theodore Johnson's \$2000 primary contribution of September 8, 2006. Mr. Johnson's \$2,000 contribution was incorrectly reported twice on the October Quarterly. The Committee did, in fact, timely file a 48 hour notice for his \$2000 contribution on the September 7<sup>th</sup> 48 hour notice. The duplicate contribution on September 8, 2006 has been removed and will be reflected on the amended October Quarterly.

Finally, the Committee inadvertently missed two contributions on its 48 hour notices, James Halpert and Steven Spielberg. The Committee apologizes for this inadvertent mistake,
